

December 31, 2021

Dear Valued ONE Customer,

AL5: MV MOL Emissary 044W

Further to our Customer Advisory dated December 23, 2021, MOL Emissary has safely arrived lay-by berth for further inspection and necessary repairs.

We are currently waiting for the vessel owner's assessment of the repair requirements, preparation and plan and more information will be provided later as it becomes available.

Cargo discharging plan is not available yet as it is dependent on the repair plan.

All cargoes including reefer units onboard are working and are being monitored regularly.

We regret the inconvenience caused and thank you for your understanding in this regard. Should you have any questions or concerns, please contact your sales account representative for additional information.

Sincerely,
Ocean Network Express Pte. Ltd.
