

22nd July 2021

Notice of Surcharge Update

Dear Valued Customer,

Thank you for your continued support and for choosing Ocean Network Express (ONE) to cater to your needs.

Due to the ongoing congestion in hub ports in Asia which has resulted in higher than average turn time of equipment to specific areas. The overall costs and turn time of equipment associated with these moves has increased considerably.

Therefore, ONE will implement an equipment imbalance surcharge (EIS) of USD 500/box for 40' Standard and 40' High Cube dry containers
The new level will be applicable effective 15th AUG 2021 from North Europe and the Mediterranean to Indonesia and Malaysia and will be valid till further notice.

We would like to take this opportunity to thank you for supporting ONE and we look forward to continuously serving your global transportation needs.

Should you have any questions, please do not hesitate to contact your ONE representative.

Yours faithfully,

Ocean Network Express Pte. Ltd.
