

# Q1 2023 NETWORK UPDATE EUROPE-NORTH AMERICA TRADES

## MSC CUSTOMER ADVISORY

Geneva, Switzerland, 11 January 2023

Dear Customers,

MSC has been preparing for the implementation of the Carbon Intensity Indicator (CII) through a range of measures, including a new programme of voyage optimization. As such, we will be making a number of changes to our network that will impact North Europe – North America and Mediterranean – North America trades. The new proforma schedules, to be introduced within Q1 2023, will allow us to adjust the speed of our vessels and ensure appropriate performance in light of the CII, while continuing to serve the capacity needs of the market.

	Service	Change to Vessel sequence	Change to rotation
