## NEMO SCHEDULE UPDATE

To our valued customers,

Please note that the global operational situation remains tense for NEMO service, still experiencing vessel berthing delays and port congestions in many terminals of the rotation.

As schedule recovery measure, and since our last message dated 25<sup>th</sup> of April, please consider below last updates on NEMO service rotation:

## Please note:

- NORTHERN JAVELIN = will phase in North Europe and will perform North Europe rotation.
- M/V MSC PAEMLA = will omit North Europe and will perform a Westmed rotation.
