## Customer Advisory

# HMM to launch standalone Far East- INDIA- Mediterranean service (FIM)

Dear Valued Customers,

HMM will be launching a new service connecting Far East – INDIA - Mediterranean to provide you with a viable alternative way to ship your cargoes.

The new service is called Far East- INDIA- Mediterranean Service (FIM) and will be operated solely by HMM.

The first sailing of the FIM service will commence from Busan on 6 August 2023 accomplishing round trip in 84 days.

Port rotation is as follows:

Busan – Kwangyang – Shanghai – Ningbo – Shekou – Singapore - Port Klang – Kattupalli– Nhava Sheva – Mundra – Karachi – Jeddah – (Suez Canal) – Damietta – Piraeus –Genoa – Valencia – Barcelona – Piraeus – Damietta – (Suez Canal) – Jeddah – Karachi –Mundra – Nhava Sheva – Kattupalli – Singapore – Da Chan Bay – Busan.

Some of FIM's beneficial advantages are:

- Standalone service  
HMM can offer great flexibility for special cargo and heavy-weight cargo.  
HMM can provide prompt feed-back of any inquiry (DG, OOG and etc) as a single operator
- Comprehensive coverage  
Calling Kwangyang, Port Kelang to Mediterranean ports directly  
Calling direct from Indian major ports to Jeddah, Mediterranean ports
- Market compatible transit times

With the introduction of stand alone FIM service, HMM anticipate to deliver our customers more efficient and reliable sea transportation. We will also continue to expand our presence in these regions and provide an enhanced service portfolio in the future.

We thank you for your continued support.

Kind Regards,  
HMM Co., Ltd
