MSC PRICE ANNOUNCEMENT

Geneva, Switzerland, 4 December, 2023

Dear Customers,

The recent restrictions in crossing the Panama Canal will have a direct impact on our operational costs.

To maintain our continued level of service, from 1 January 2024 we will implement a Panama Canal Emergency Surcharge (PCES) of 80 USD / TEU applicable for all containers to cover additional costs for passing the Panama Canal.

We thank you for your understanding and patience and we will keep you updated with further developments.

Any other elements of the price, for the relevant trades published on [msc.com](https://www.msc.com), still apply and remain unchanged.

Should you have any questions, please [contact your local MSC representatives](#) in our global network of more than 675 offices.
