

Dear Colleagues,

Below fyi in regard to AL4 sailing schedule:

*****Qte*****

We would like to share the following info regarding the AL4 schedule updates with you.

The HUDSON EXPRESS is not necessarily a new departure to the service, just a replacement for the severely delayed LEHAVRE EXPRESS.

We did not want to have a blank sailing to the AL4 right before the Holidays as we are already going to have one in week 52.

Here's the final AL4 vessel line up:

DP 28767 Hudson Express <i>ETA GBLGP 16.12 (LEH omit)</i>	// old LE Havre Express
position DP 624281, which was 7 days delayed – therefore Phase in of Hudson Express	
DP 624287 Le Havre Express <i>ETA FRLEH 21.12</i>	// old Hella DP 624287
position, which was 7 days delayed – therefore phase in of LE Havre Express	
Blank Sailing WK 52 – remains unchanged	
DP 624283 Hella <i>ETA FRLEH 04.01</i>	// old Dimitra C DP 624283
position, first vessel to call WVN	
DP 624278 Dimitra C <i>ETA FRLEH 11.01</i>	// old MOL Proficiency DP
624278 position	
DP 625221 MOL Proficiency <i>ETA FRLEH 18.01</i>	// old ONE Triton DP
625221 position
