■ France – Inland Haulage Tariff – Congestion Surcharge

June 27th, 2022

Dear Customer,

We would like to inform you that due to increased congestion in the French ports of Le Havre and Fos-sur-Mer, Hapag-Lloyd will introduce a congestion surcharge of **25 euros** applicable to all import/export truck carrier haulage moves.

This surcharge is applicable from 1st July 2022 for non-FMC trades, and 1st August 2022 for FMC trades, effective until further notice.

This surcharge is applicable to all origins / destinations under carrier haulage via Le Havre and Fos-sur-Mer.

The congestion surcharge is only applicable to carrier haulage performed by truck.

For further information, please contact your local Hapag-Lloyd office.

Kind Regards,

Hapag-Lloyd France
