

Our IO3 service has schedule updates coming up

Your cargo planning might be affected by the schedule updates of our Indian Ocean 3 ([IO3](#)) service. These changes will be in place during the last quarter of 2022 to improve the service's schedule reliability.

To view the full information, including ports and vessels, please visit our website's information with all the details [here](#).

To assist your cargo planning, you can use our [vessel tracker](#) to view our vessels' latest Estimated Times of Arrival and Departure. If you should require additional information, please contact our customer service team at your [location](#), who will guide you based on your individual situation.

Best regards,
