# An Operational Recovery Surcharge (OCR) for shipments from Europe to Far East is coming up

An Operational Recovery Surcharge (OCR) is coming into effect for shipments from North Europe and the Mediterranean to Far East including Oceania and is applicable to all containers and cargo types. The OCR is applicable to all sailings commencing on tariffing date **January 1, 2024** and until further notice.

The details for this OCR are listed below:

- USD 500 per TEU

For your reference, the geographical scope of this increase is explained below:
