

Shipping from China? OOG applications are now feasible online. From October 1, 2022 this will be a mandatory requirement

Dear,

If you're shipping from Mainland China and Hong Kong, here's an important update concerning Out of Gauge (OOG) applications.

To simplify the process, you can now submit your OOG applications through our [web form](#) which is ready and available for you to use. Thinking about your cargo planning, please keep in mind that from **October 1, 2022**, we will only accept OOG applications submitted through the [online](#) form.

Our OOG applications' process is also available to you [here](#). If you should require additional information, please contact our customer service team at your [location](#), who will guide you based on your individual situation.

Best regards,
