

## Our IOS and IO3 services have schedule updates coming up

Dear Mathieu,

Your cargo planning might be affected by the schedule updates of our Indian Ocean (**IOS**) and Indian Ocean 3 (**IO3**) services. These changes will be in place during the remaining part of Q3 and Q4 2022 to improve the service's schedule reliability.

To view the full information, including ports and vessels,

- Indian Ocean Service (IOS): find the latest schedule updates for this service along with alternatives for your cargo planning. To access the full information, please visit our website [here](#).
- Indian Ocean Service 3 (IO3): there's a schedule change during the month of October. All the details are available in our website in this [link](#).

To assist your cargo planning, you can use our **vessel tracker** to view our vessels' latest Estimated Times of Arrival and Departure. If you should require additional information, please contact our customer service team at your **location**, who will guide you based on your individual situation.

Best regards,

**Maria-Fernanda**

from our Customer Communications  
team
