Shipping between Latin America and North Europe? Here's an update for our SWX

If you're shipping between North Europe and Latin America, here are two updates that might impact your cargo planning. Our North Europe - South America Westcoast (**SWX**) Service will be **adding MV Santos Express** with an Estimated Time of Arrival at Cartagena, Colombia on June 17, 2023. With this vessel, our service is introducing its tenth vessel with service with a 70-day rotation to support your cargo planning.

In addition, the **port of Le Havre, France will be reinstated** to our SWX sailing schedule. This change will take place on September 2, 2023. For your reference, we've listed below the first vessel that will be reinstating Le Havre, including vessel voyage, estimated time of arrival (ETA), port name and corresponding week:

Vessel / Voyage	ETA	Port	Week
Guayaquil Express V.3234S	September 2, 2023	Le Havre	35

The new SWX rotation:

Rotterdam, NL → London Gateway, GB → Hamburg, DE → Antwerp, BE → Le Havre, FR → Caucedo, DR → Cartagena, CO → Manzanillo, PA → Buenaventura, CO → Posorja, EC → Callao, PE → San Antonio, CL

To assist your cargo planning, you can use our [**vessel tracker**](#) to view our vessels' latest Estimated Times of Arrival and Departure. If you have questions concerning the above changes, please contact our customer service team at your [**location**](#), who will be happy to guide you based on your individual situation.
