

A restriction for frozen meat and seafood products is in place for Shekou, China

Dear Mathieu,

If you're shipping reefer cargo into China, please keep in mind that Shekou Container Terminals (SCCT) has implemented the following restrictions: with immediate effect, **frozen meat** and **seafood products** imports are not allowed at Shekou Port, China. This restriction applies to all import shipments and excludes transshipment cargo. With your cargo planning in mind, it is recommended to arrange your bookings to Yantian, China or Hong Kong.

If you should require additional information, please contact our team at China@service.hlag.com, who will guide you based on your individual situation.

Best regards,

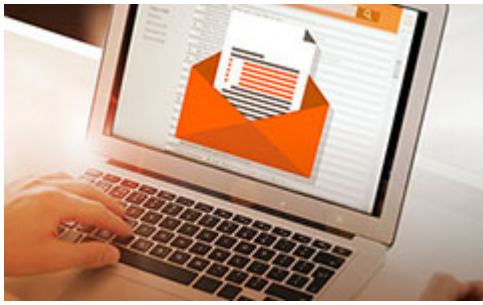

Maria-Fernanda
