

The alternating omissions for our Mediterranean services MD1, MD2 and MD3 vessels have been extended to week 33

If you are shipping with our [MD1](#), [MD2](#) and [MD3](#) services between Asia and the Mediterranean, please visit our latest schedule update [here](#). These changes, caused by schedule recovery measures, include alternating port omissions that have been extended into week 33 in Pusan, Korea, and both Shanghai and Ningbo, China.

If you would like to view the above vessels' schedule information, please visit our vessel tracker in our [Online Business Suite](#). Do you have any questions? Our customer service team at your [location](#) will be glad to guide you based on your individual situation.
