

There's a schedule update for our Caribbean Express Service (CES) service

Dear Mathieu,

If you are shipping with our Caribbean Express Service (**CES**) service, please know that there are a few changes that might affect your cargo planning. Our vessels deployed in this service have been facing delays caused by port congestions, limited operations, and severe weather conditions in Europe and at the Caribbean.

With your cargo planning in mind, our vessels' schedules for this service have been adjusted by one week. These changes will take place starting with the following vessels, in both directions:

Southbound: MV HSL Nike V. 216SB with the following Estimated Time of Departure (ETD) per port:

- London Gateway, GB – ETD April 17, 2022
- Rotterdam, NL – ETD April 18, 2022
- Antwerp, BE – ETD April 20, 2022

Northbound: MV Santa Marta Express V. 215NB with the following Estimated Time of Departure (ETD) per port:

- Kingston, JM – ETD April 23, 2022
- Santa Marta, CO – ETD April 30, 2022
- Puerto Limon, CR – ETD May 1, 2022
- Caucedo, DO – ETD May 4, 2022

To assist your cargo planning, you can use our [vessel tracker](#) to view our vessels' latest Estimated Times of Arrival and Departure. If you should require additional information, please contact our customer service team at your [location](#), who will guide you based on your individual situation.
