

Here's an update for container gate-in schedules at Shekou, China

Dear Mathieu,

The **current** COVID-19 impact at Shekou is affecting the terminal productivity and container turnover rate. With your cargo planning in mind, please note that there are changes at the Shekou Container Terminals (including Shekou Terminal/SCT, Chiwan Terminal/CCT, and Mawan Terminal/MCT) effective from March 22, 2022, as follows:

- Shekou (MCT/SCT/CCT) gate-in policy changes from Estimated Time of Arrival (ETA) minus 5 days (ETA-5) to Estimated Time of Berthing (ETB) minus 4 days (ETB-4).
- The gate-in policy for the services linking Asia and the Mediterranean, specifically Mediterranean Service 1, 2, and 3 (**MD1**, **MD2**, **MD3**) where the gate-in policy will change from ETB-4 days to ETB-7 days.

To assist your cargo planning, you can use our **vessel tracker** to view our vessels' latest Estimated Times of Arrival and Departure. If you should require additional information, please contact our customer service team at your location, who will guide you based on your individual situation. As an alternative, please send a mail to China@service.hlag.com for more detailed information.

Best regards,
