

## Here's a schedule update for our MD1 and MD2 vessels

Dear Mathieu,

If you are shipping between Asia and the Mediterranean with our **MD1** and **MD2** services, please take a look at the following schedule updates caused by schedule recovery measures. These changes include alternating port omissions that have been extended into week 13 in Pusan, Korea, and in China for the ports of Shanghai and Ningbo.

With your cargo planning in mind, please refer to the table below. It provides an overview per service of the vessels scheduled to omit Pusan, Shanghai or Ningbo and the week number.

| Week | MD1 - Vessel, Voyage, Omission Port     | MD2 - Vessel, Voyage, Omission Port    |
|------|---|--|
| 10   | No Vessel                               | Zenith Lumos V. 007W, Omission Pusan   |
| 11   | Jebel Ali V. 021 W, Omission Pusan      | Al Jasrah V. 022W, Omission Ningbo     |
| 12   | Paris Express V. 022 W, Omission Ningbo | Zeus Lumos. 005 W, Omission Pusan      |
| 13   | One Mackinac V. 031 W, Omission Pusan   | Al Mashrab V. 021 W, Omission Shanghai |

If you would like to view our vessels' schedule information, please visit our vessel tracker in our **Online Business Suite**. As an alternative, please contact our customer service team at your **location** who will be glad to guide you based on your individual situation.

Best regards,

**Maria-Fernanda**

from our Customer Communication  
team
