

CHANGE IN GLOBAL FUEL SURCHARGE (GFS) APPLICATION – ASIA TRADES

MSC PRICE ANNOUNCEMENT

Geneva, Switzerland, 14 March 2022

Dear Customers,

The current global political situation is creating major, and unpredictable, fluctuations on global fuel prices.

Therefore, starting 15 April 2022, until conditions stabilise, MSC will be recalculating the Global Fuel Surcharge on a fortnightly basis tariff instead of a monthly basis tariff, for all spot and quarterly contracts on Asia trades, until further notice.

Should you have any questions, please contact your local MSC representatives in our global network of more than 500 offices.
