SRX Service update – Contingency measures 3 November 2022

Dear Valued Customer,

Please be advised, due to heavy berthing delays in Durban container terminal, the following contingency measures have been implemented:

Starting from M/V Santa Isabel v.224S/224N, the schedule will slide with one week between Coega and Durban, creating a blank position in Europe in week 48.

M/V Santa Clara v.224N has been delayed on her voyage in South Africa and will arrive in Rotterdam on 22 November.

M/V Mehuin v.224S will phase into the service one week earlier in Rotterdam on 16 November and take the proforma position of M/V Santa Clara v.224S. She will exceptionally call ECT Delta Terminal in Rotterdam and EUROGATE (MSC gate) in Bremerhaven instead of the standard SRX terminals.

Please find below the latest schedules:
