SRX Service Update – M/V Mol Proficiency v.233S/234N

Dear Valued Customer,

Please be advised due to ongoing operational & weather delays in Cape Town and to maintain schedule integrity, the M/V Mol Proficiency v.233S/234N will omit Cape Town.

Cape Town imports will be discharged in Durban and transferred to the M/V Mol Presence v.233S, ETA 26 September 2023.

The cargo originally planned for the M/V Mol Proficiency v.234N in Cape Town will be transferred to the M/V Mol Presence v.234N, ETD 05 October.

We apologize for any inconvenience cause and appreciate your understanding in this regard.

Yours faithfully,

Trade Management
Ocean Network Express, South Africa
