## SRX Service Update – Proforma schedule, June 2023

Dear Valued Customer,

Please be advised, due to operational delays in Cape Town Container Terminal, the schedule for vessels operating under the South Africa Rainbow Express Service (SRX) has been severely impacted, requiring us to make changes to the proforma line-up.

M/V MOL Presence v.232S will phase in early to cover the position of M/V Proficiency v.232S, as she is arriving 7 days behind her proforma window in Rotterdam. To optimize the phase in operation, M/V MOL Presence v.232S will omit her London Gateway call. London Gateway export cargo will be loaded on M/V MOL Proficiency v.232S, sailing 23 June 2023 (ETS)

Below you can find the updated schedules:
