SRX Service update – Proforma schedule changes October 2022

Dear Valued Customer,

Please be advised, the Transnet port workers are currently on strike. As a result, all operations in the main South African Deepsea container terminals have come to a halt until further notice.

To deal with this situation, following changes to the proforma line-up of our SRX service have been implemented:

M/V Santa Cruz v.224N will advance into Europe by one week and will swap positions with M/V Santa Teresa v.224N.

M/V Santa Clara v.223S will delay her arrival into Coega and take the position of M/V Santa Rosa v.223S, resulting in a slide of the proforma schedule

Below you can find the updated schedules for the Northbound and Southbound voyages:
