**SRX Service Update – M/V Santa Teresa v.232S/N / M/V MOL Proficiency v.232S/233N and M/V Santa Cruz v.232S/N contingency**

**Dear Valued ONE Customer,**

Please be advised, due to ongoing operational delays in the South African ports and to maintain schedule integrity, the following schedule changes will be implemented:

The M/V Santa Teresa swapped positions with the M/V Santa Cruz in Durban for operational reasons and to also protect departures in Cape Town and European discharge/load. The M/V MOL Proficiency has omitted the Cape Town export call and will proceed direct to Europe from Durban, giving a fast transit ex Durban to Europe markets and preserving Europe southbound schedules effectively swapping places with the M/V Santa Cruz.
