## Official Statement: Route via Ukraine

Dear Valued Customers,

First of all we would like to thank you for a great cooperation and trust put in our company and our service throughout the years.

Due to the newest developments in the Russia-Ukraine conflict we strongly recommend avoiding the route via Ukraine. In cases of already departed trains our operational team will support you in re-routing of the shipments via Malaszewicze or Ports of Kaliningrad/Baltijsk.

To maintain the trust of the customers in our common product we put all our efforts to provide stable and reliable operation on our standard routes via Russia/Belorussia.

Existing routings:

- Brest / Malaszewicze (Belorussia-Poland)
- Mamonovo / Braniewo (Russia-Poland)
- Zhelznodorozhniy / Skandara (Russia-Poland)
- Bruzgi / Svisloch (Belarus-Poland)
- Grodno / Kuznica (Belarus-Poland)
- Port of Kaliningrad (Russia-EU)

As all of you know, we increased our resources in the port of Kaliningrad and on the Baltic sea and highly recommend and encourage you to use the multimodal solution as it remains the most valuable alternative to the route via Brest/Malaszewicze.

We will keep you informed on daily basis on further developments.

Please also don't hesitate to ask us directly in case of further questions.

Sincerely yours,
