# The Performance of “Full Operation Schedule” Train

On October 26, 2022, The first “**Full Operation Schedule**” (down to minute level) Eurasia train departed out from Xi’an, China. It’s the first time Eurasia railway operates with a fixed schedule of each transit stations, including those outside China. This shows China Rail’s resolve in terms of “quality over quantity” policy and also demonstrated the future on this corridor.

**Highlights:**  
 Departur from Xi’an has always been on time since beginning, the total lead-time has been stable in the past two months.

## About Strike in Germany

The strike is organized by German union called "Verdi" which is mainly in service industry such as sea ports, public transportation etc., estimated to last 24 hours as of March 27<sup>th</sup> (Monday).

**Eurasia railway** transportation will **NOT** be impacted, however due to the traffic jam people might not be on duty on time, hours delay of train operation is expected.
