RE: Termination of Emergency Intermodal Surcharge (EIS)—Canada

Dear Valued Customer,

Thanks to market improvement, we have decided to terminate Canada Emergency Intermodal Surcharge (EIS), with effective from January 13, 2023, date of dispatch.

Please note that we will closely keep you posted in case any market development.

We appreciate your continued support as a valued customer and should you require any further information or clarification, please do not hesitate to contact your account manager or customer service representative.

Best Regards

DB Schenker
